 - o Medically fit for sporting activity in the given sport
 - o Has training experience and skills in the given sport that allow participation in competitions (in alpine skiing, cross-country skiing, snowboarding, or snowshoe running)
- **Evaluation** (alpine skiing, cross-country skiing, snowboarding, snowshoes): The principle of relativity will be used, which is based on evaluating current performances in relation to the individual, allowing advancement to appropriate final groups for all competitors according to the published rules. All competitors advance to the finals. The principle of forming appropriate final groups will be specified at the technical meeting of the given sport before the competitions, on Wednesday at 20:00.
- **Awards:** In the medal ceremony, all participants of the finals will be announced and awarded, with the first three places being awarded medals.

MIXED

- A format where an athlete and a non-disabled individual (coach, parent, volunteer, etc.) compete together as one pair or team
- Supports inclusion of people with disabilities
- The condition for participation is enrollment in the OPEN format in the given sport
- In the registration system, it is necessary to indicate whether the athlete will compete with their own non-disabled companion or accepts a sports partner from the ranks of the organizer's volunteers
- **Awards:** In the medal ceremony, all participants will be awarded a participation medal

- Further explanation in the propositions of the given sport or at the technical meeting before the competitions.
- 5. Each competitor can register for only one competitive sport.
- 6. **Demonstration sports**, if any, each athlete participates based on their own decision and time possibilities.
- 7. **Athletes and their companions are obliged to familiarize themselves with the rules of the sports and adhere to them**, including adhering to the time schedule and designated times for entering the sports venues.
- 8. **Transportation from the accommodation to the sports venues will be provided by the organizer based on demand.** Any published transportation schedule must be followed. In case of own transportation, free parking will be provided.
- 9. **Each sport will have an essential technical meeting for coaches and companions on Wednesday 22. January at 20:00**, where leaders/trainers of delegations of the given sport will receive all necessary instructions. Another meeting will take place according to the agreement with the sport directors.
- 10. **For organizational and safety reasons, only athletes and their authorized companions have access to all sports venues**, including assistance dogs.
- 11. **Athletes are required to compete with their own sports equipment** (adjusted and maintained alpine and cross-country skis/monoskis, snowboards, etc.) or compensatory aids and protective equipment (helmet, goggles, gloves) suitable for safe competition. A declaration of honor and other signature documents are part of the registration process and must be submitted before departure to the games.
- 12. The time schedule of individual competitions will be announced.
- 13. The term PARA expresses the derivation of the word parallel for all participants, not paraplegic disability.

Technical meeting

1. It will take place on 22 January at 20:00.
2. Place - Clarion Hotel (ground floor, room behind the elevators marked with navigation arrows)
3. **At least 1 representative per organization/team is required**
4. **After the technical meeting SKI PASSES will be issued - deposit is 100 CZK or 5€**
